

"Project Viet Nam" Rolling Along

"Project Viet Nam" is rolling along famously.

Last week the personnel at the Antioch Post Office put into action a plan suggested by Harry Brehan. The idea was to send something to all Antioch area men and women serving in Viet Nam. Object, to let the boys know the home town folks are behind them 100 per cent, no matter what they may read in the paper. And, at the same time, to contribute a little bit to their well-being and comfort.

Kool-Aid was selected as the gift to send to the boys. Many of the boys request this item in letters home. The drinking water is not the most palatable in the world and the boys have found that addition of Kool Aid makes it taste better.

The group at the Post Office intended to contribute

money to finance the project. What they wanted most was names and addresses of Antioch area servicemen and women in Viet Nam.

They have received a good list of names in the week since their project was announced. However, they know there are many names they have not yet received.

Announcement of the project has brought in a number of contributions, so that the packages will contain some other small items in addition to the Kool Aid. The First National Bank of Antioch contributed a number of ball point pens and some small calendars which fit on wrist watch bands. The State Bank contributed playing cards and a multi-purpose knife. Chicago Ink is supplying the cartons for mailing. The IGA is supplying the Kool Aid at Cost. In addition

cash donations were made by the Antioch News, Bill Yucus' Service Station and Fred Scott, in addition to several anonymous contributions.

Bits of information about the boys overseas sometimes come in with the names. Two brothers are listed, Nicholas W. Ream, in Viet Nam, and his brother, Pfc. William J. Ream, now in Korea. Nicholas is expecting to finish his tour of duty in Viet Nam soon. Because the armed services make a practice of not having two from one family in the combat zone, William is slated to go to Viet Nam when his brother leaves the area.

Drop a line to an Antioch serviceman whose name is on the list. He'll be glad to hear from someone at home. And if you have a name to add to the list, let us know.

\$50.00 more for the Band Fund. The Antioch Legion Post 748 last week presented a check to the fund. Left to right, George Olisar, Antioch Grade School Band Director; Jack Horan, Legion treasurer; Don Gaston, Child Welfare chairman, and Chester Golonka, president of the Band Parents Association.

In Vietnam From Antioch

Following are the names of Antioch servicemen and women serving in Viet Nam.

These names have been turned in to the Antioch Post Office. The personnel at the Post Office has undertaken to send a small package of Kool Aid and various other small items to Antioch residents serving in Viet Nam, as a friendly reminder that the folks at home are thinking of them.

If you have the name and address of some Antioch man or woman serving in Viet Nam, phone or mail it in to the Antioch Post Office. The personnel at the Post Office is mailing packages containing Kool Aid plus one or more of such small items as multi-purpose knives.

They hope to send these packages periodically to all the boys on their list.

Evening School Starts Feb. 27 At ACHS

Adult Education classes for the second semester will begin at Antioch Community High School Monday, Feb. 27. Registrations will be accepted from Feb. 20 through Feb. 24, from 7:30 a.m. to 4 p.m., in the High school office; and from 7 to 8:30 p.m. Monday and Tuesday, Feb. 20 and 21; or by mailing a registration blank to the high school before Feb. 27.

The roster of classes being offered is the result of a special education survey held earlier this year. Offerings include Bridge, Drawing and Painting, Intermediate Art, Books and Coop, U.S. Foreign and Domestic Policy, Conversational Spanish, Physical Fitness and Recreation.

Ballroom Dancing, Beginning and Intermediate Typing, Business Machines, Gregg Shorthand, Basic Bookkeeping, Sewing, Rapid Reading, Fundamentals of Electronics, Amateur Radio, Mechanical Drawing, Preparation for Citizenship and Preparation for the General Educational Development Test (High School Diploma Equivalency).

Classes will be held one evening a week for ten weeks on Monday, Tuesday and Wednesday. A few special classes may operate on a different schedule. There will be no classes held on the week following Easter. A minimum of ten persons must enroll in a class for it to be held.

Six candidates have so far filed petitions of nomination for the three village trustee positions to be filled in the April elections.

Latest to file are Richard Daniel, Eugene Diemer and Charles Cermak. All filed as Independents. A slate for the People's Party had filed earlier, comprised of Irving Walsh, Richard Radke and Richard Burnette.

Last date for filing for the village board is Feb. 27, with elections in April.

Richard Daniel, 484 Lake St., Antioch, is a vice president of the State Bank of Antioch. He's married and has two daughters, Char-

maine, in high school, and Karen, in the 8th grade at St. Peter's School. He has lived in Antioch six years.

Mr. Daniel is a member of the Board of Directors of the Lions Club; president of St. Peter's Holy Name Society and a member of the Knights of Columbus.

"I'm a candidate for the Antioch Village Board because many of my friends and business acquaintances in the village begged me to run for the office," Charlie says. "I promise to continue with the progress which the Mayor and Board of Trustees have been carrying on, and enhance the progress of Antioch, making it a better place to live and work."

Mr. Cermak is a World War veteran; was president for two years of the Waupaca Lake County Board of Realtors; chairman of the Legislative Committee of the Illinois Association of Real Estate Boards; president for two years of the Antioch Chamber of Commerce; chairman of the Red Cross Drive; chairman of the Lake County Tuberculosis Association Christmas Seal Drive; past Scoutmaster of the Antioch Boy Scouts; member of the Antioch Chamber of Commerce; Antioch Lions Club; Antioch Legion Post, Disabled Veterans, and Antioch Moose Lodge. Also a sponsor of many charitable organizations.

"Antioch is and has been my home town, and always will be," Cermak said.

No Opposition In Township Elections

The April 4 election of township officials in Antioch township will probably not draw a very heavy vote. With the filing date closing last Monday, Feb. 13, no opposition was registered for any of the offices up for re-election.

There will be a variety of both modern and square dancing throughout the evening. The King's Men will furnish the music. Jim Adams will be the square dance caller, and will also provide instruction in the art of square dancing from 7:30 to 9 p.m.

The dance starts at 9 p.m. in the Post Home at the Railroad and Grand Avenue in Lake Villa.

Ismene (Carol Brandy) left, and Antigone (Mavourneen Reardon) in a scene from the PM&L play, "Antigone".

A Legal Lottery

A state lottery to help support the schools, and legalized Bingo for charitable organizations, are among the matters to be considered by this session of the Illinois legislature.

Bills to legalize bingo for charitable organizations have been introduced into former sessions of the legislature, and defeated. Most of the opposition seems to come from clergymen.

It's hard to understand the opposition of the clergy on moral grounds. Life is certainly a gamble from the first breath we draw. Can it be immoral to gamble with money, when we gamble with our lives every time we drive a car?

Moral aspects aside, would a lottery or bingo lead men (or women) to gamble away money they need for food? Unlike a dyed-in-the-wool gambler can find something to gamble on, and someone to gamble with, wherever he is. Furthermore, it should be each man's inalienable right to make a fool or a pauper of himself, if he so desires.

Certain it is that more money must come from somewhere to support functions of government, and especially the schools. The real estate tax can not forever support the growing needs of a growing cost of education.

Why not try a state lottery for a limited period of time, say three or four years? If it proved unsuccessful, or contributed to crime, it could simply be dropped at the end of that time. Or, if successful, it could be renewed periodically.

At least, it would not be a tax forced on an unwilling populace. Only those who wished to would participate. And there is a limit to the amount of taxes the responsible citizen can shoulder.

What The World Needs

By Charles B. Watson

The world of today is enveloped in an atmosphere of indecision and uncertainty, and rightly so; because man with his limited knowledge and wisdom is facing a test, the like of which he has never faced before.

The undercurrent of dissatisfaction throughout the world today if properly interpreted, will expose many variances of man's attempt to harmonize the thinking of the world in general.

While we in America seemingly face the world with an unlimited number of examples that we can point to with pride and proof of our devout interest and effort to improve the lives and expectations of mankind throughout the world, we still have some apologies to offer.

We must admit that the judgment of the men in authority, elected to govern our nation, is not always in accord with the ideas that seem to motivate public thinking. However, we must be charitable enough when it comes to drawing conclusions to recognize that man is not infallible.

We face many problems when it comes to dealing with foreign nations that effect or disturb our anticipated relationship; and one of them is the ever-present desire American capital has always manifested to obtain the controlling interest in all foreign industrial investments.

Call it greed, business ingenuity, sound judgment, or anything you like. The end result is always a back-lash which we seem to ignore to our final detriment.

We are willing to admit that while there has always been a lack of skilled labor, modern equipment and technical understanding prevalent in these countries, it does not mean that American capital is justified in exploiting a nation or a people not prepared to resist.

It takes time for a nation, blest with invaluable resources, to discover that men unfortunately are self-interested. Just reasoning is often sidetracked to ease a guilty conscience when it comes to exploiting a nation or a people who have faith in our good intentions.

We have many examples where this fact has finally been discovered and the people or nation involved have retaliated by demanding and securing their just rights, much to the detriment of the original investors.

By and large when an example of this type

Good or Bad Bill?

Sometimes Legislators, reacting to public opinion, and trying to build a "good image," introduce and pass well-meaning bills which actually are harmful to the general public.

House Bill No. 4, which would prohibit the sale or use of the Psychedelic Drug commonly known as LSD, is now under consideration in the General Assembly. At first glance most adults will say, "Of course outlaw it!" However there are two medical schools of thought on this subject. Some doctors maintain that this will only drive the use and possession of LSD underground causing illicit traffic in it and unguided use, with harmful side effects from lack of proper dosage and indiscriminate use. The A.M.A. however, has come out in favor of outlawing the drug. They admit that this will not eliminate its use because any knowledgeable chemist can produce it. I personally dislike creating another illicit market to put money in the "Hoodlum Pockets." On the other hand, anyone voting against this bill will probably receive severe criticism.

As it stands, this writer is listening to arguments on both sides and weighing the pros and cons. When the time comes to vote yes or no, I intend to vote my honest opinion based upon the testimony. I consider the Timothy Leary (ex-Harvard Professor) religion cult theory of no value as to my final decision.

The Cook County Problem

House Bill 242, which would have granted diversion of the Motor Fuel Tax in Cook County for use of the County Board, was defeated last week by 32 votes. Senate Bill 160, which is an identical measure, is still before the House in the order of Third Reading. Either of these bills would release 18 million dollars for Cook County's use, supposedly for the payment of the Courts, Bailiffs, Court Reporters, etc.

comes to public attention little sympathy is felt for the guilty investor and rightly so because the lesson involved should be so forceful that man will be ever mindful that there is an element of justice in this world that must be recognized.

Problems of this type seem to be with us almost constantly, yet we face them without too much concern or interest, hoping that through some hidden opportunity these mistakes of man will prove helpful to coming generations.

This may be considered an unusual subject of discussion but where we stop and consider man's aptitude for repeating countless errors that are made daily in our domestic and business activities, it seems perfectly logical to refresh our moments devoted to thoughts and reminders that will cause us to more carefully focus our future thoughts and actions with sound judgment and consideration.

We are hesitant to believe that this is not an era of dog eat dog or every man for himself and that is why the world is in such a sorrowful state today.

A determination to develop a relationship between men and nations will prove ultimately that the Creator's purpose in creating man was to build an indestructible brotherhood. But to accomplish this will require an ever-increasing working force of devoted, unselfish individuals determined to prove that the will of the Creator is our only hope for a world at rest.

Love is the touchstone that binds men together in a sincere effort to achieve a real brotherhood in keeping with the Creator's plan.

Reflections, at this point, is consistent with normal reasoning; therefore it leads us to believe that man must have taken a detour instead of following the main highway that was constructed for his guide to a perfect revelation that the Creator's intentions for man was the embodiment of all that was just and good for a World Brotherhood, wherein Nation would honor Nation, Man would honor Man, and the complete realization that the Peace of God which passeth all understanding would occupy the hearts of men throughout all Eternity.

Be serious and think this over.

Letters to the Editor

Dear Editor:

The PM&L put on a wonderful performance in their play ANTIGONE. This is a serious play but the acting was so marvelous I just had to write about it. I feel that it is so wonderful for these people to remember all those lines, and that it is also very nice for them to put so many hours of practice so that they can entertain all of us. They sure deserve a lot of credit.

This is a change in the usual run of plays they have put on, it is well worth your time to see it.

We should all support this group so we can keep this theatre going. It is so much enjoyment for so little bit of money.

This play keeps your interest all the time. Hope you will go to see ANTIGONE. It is still playing the 17th and 18th.

Why not call and get you tickets right now so you will not be disappointed when you go to the box office.

Please print this in this week's paper.

Thank you.
Yours truly,
Cecilia Rodney

Your Congressman Reports....

By Cong. Robert McCloskey

One of the difficult decisions which Members of the 90th Congress soon will be required to make relates to a proposed Anti-Ballistic Missile (ABM) defense system. The issue arises due to the recent disclosure of an extensive ABM system being developed in the Soviet Union.

Indicating his concern with this "new" Soviet arms buildup, President Johnson has urged that the Soviet Union and the United States should "agree" not to establish anti-ballistic missile systems for use against possible attacks by each other. In other words, the President and many others are seeking an end to the so-called "arms race." However, millions of Americans, including many Members of the U. S. House of Representatives and Senators, are demanding that our nuclear defenses should be adequate to protect our citizens against a potential Soviet nuclear attack.

Secretary of Defense McNamara appears to oppose the development of an ABM defense system because of its exorbitant cost (\$40 billion over a 10-year period), and because he favors additional offensive nuclear weapons as an adequate defense in the event of a nuclear war. Secretary McNamara's position appears to be that our country, with its superiority in nuclear striking power, could withstand a Soviet "first strike" and still destroy the Soviet nation. However, this theory contemplates the loss of from 10 to 40 million Americans in the Soviet "first strike" which an ABM defense system would aim to prevent.

Raised questions can be raised concerning Secretary McNamara's theory:

- (1) What happens if our retaliatory nuclear strike is not able to penetrate the Soviet's ABM defenses? or,
- (2) What if our ability to retaliate with offensive nuclear weapons is critically impaired because we are without adequate defenses to protect the ballistic missile launching areas?

In the event Secretary McNamara's calculations are not accurate (and he has been known to miscalculate in the past) our nation could be destroyed by a rain of Soviet nuclear bombs against which we would have no effective defense.

Soviet Union spokesmen explain that their new ABM defense system is directed against the Chinese. However, this seems somewhat

Courthouse Notebook

BY LOIS BURKIN

Many loyal Republicans and supporters of Sen. Everett M. Dirksen, loquacious Senate Minority Leader who spoke in Lake Forest last weekend, were dismayed at the appearance and obvious symptoms of pain displayed by the veteran political leader.

Many of those who saw Sen. Dirksen came away from the meeting convinced that a new Senatorial candidate must be groomed now to take the Pekin solon's place on the GOP ballot in 1968.

Recent illnesses and accidents have detracted nothing from the melodious voice nor have they appeared to dim the intellect, but there is a weariness and weakness apparent in the physical appearance.

Certainly, Sen. Dirksen would be vulnerable to the age and physical handicap argument if the Democrats project a young, dynamic candidate against him in the next Senatorial election.

It could be the Douglas-Percy Clash all over again.

Practical politicians among the Republicans will be looking for a candidate to replace Sen. Dirksen if and when he decides not to undertake the rigors of another state-wide campaign, but there is little the party leaders can do until the veteran Congressman himself indicates it is time for him to step aside.

Certain to be mentioned prominently as a possible successor is former Gov. William G. Stratton, who could probably be persuaded to leave his post with a big insurance firm to return to the political arena.

Lake County could probably be counted in Gov. Stratton's camp because of his old ties with the county, even though he uses Chicago address these days.

Illinois motorists might well brace themselves for an increase in the state motor fuel tax and an increase in state auto licenses as well.

The need for more money to construct new highways and to improve and maintain existing state routes is obvious to anyone who drives around the state.

Lake County's network of blacktopped county roads has been the salvation of motorists in this area, but millions of dollars should be spent here in the next few

unlike since the Chinese, who have set off several nuclear explosions, give no present evidence of possessing a missile or other delivery system for a nuclear attack on Moscow. In addition, to declare that such an ABM defense system could not be effective against U.S.-launched nuclear missiles seems incredible.

It is to be doubted that any "agreement" with the Soviet Union could serve as a substitute for an adequate ABM defense system of our own. According to Dr. Edward Teller, the noted nuclear physicist, such an agreement with the Soviets should be unacceptable unless accompanied by an "Open skies" policy of inspection as was recommended by former President Eisenhower with respect to nuclear testing. Accordingly, in order to be assured of the Soviet Union's good faith, we would have to be free to inspect by air any part of the Soviet Union where ABM defense installations might be suspected.

Finally, the Congress will consider the cost of engaging in this new phase of the "arms race" with the Soviet Union. Apparently, the initial cost would be \$1 billion for the first year, with an estimated \$4 billion per year thereafter for ten years, or a total of \$40 billion. While this cost is high, in terms of our overall federal expenditures it is very modest. The annual military expenditure in Vietnam is six times as high as the yearly cost of the proposed ABM defense system. Annual cost of foreign aid to assist citizens of other countries also equals or exceeds the estimated annual \$4 billion for defending our own citizens against nuclear attack.

In terms of saving America lives—from 10 million to 40 million—even possibly all 200 million Americans, the monetary cost of an adequate ABM system of defense against nuclear attack seems small indeed.

The unvarnished truth is that the communist conspiracy is seizing this insurectionary climate to capture the thinking of rebellious-minded youth and coax them into the communist movement itself or at least agi-

The battle lines are drawn now for the township elections to be held in April and soon the area will be rent with promises of economy in government.

Incumbents on the Lake County Board of Supervisors will be challenged on several fronts, but broken promises regarding new taxes for the courthouse complex will be among the more embarrassing issues which will confront them.

The incumbents will also have to answer to many of those who voted in favor of lower tax limits on some county funds only to see the supervisors seek to circumvent the expressed will of the people by talking about court action or legislative relief.

Springfield Report

By Richard Lockhart

The Illinois Legislature has 58 senators and 177 representatives. Color them blue.

So far, the 1967 Legislature has introduced more than 100 bills over the number introduced at the same time in 1965.

While a considerable amount of attention has been given to the tax measures which some local officials would like to have enacted, there are many other measures which are also pending.

For example, there is a series of bills being sponsored by Senator Arthur R. Gottschalk (R-Flossmoor) relating to credit reform. Among many other things, these bills would license and regulate sales finance agencies, permit the avoidance of unsolicited door-to-door sales, prohibit the collection attempts against the debtor's spouse, place a limitation on interest that can be charged, and require that interest charges be exposed and advertised in dollars per \$100 of principal per year.

There is also a bill which would require motorcycle operators to be at least 18 years old. The sponsor is Senator John G. Gilbert (R-Carbondale). A similar proposal, sponsored by Senator Robert W. Mitchell (R-Oswego) would make the age 17. (These sound controversial.)

A minimum wage of \$1.25 would be established under S.B. 56, sponsored by Senator Paul Simon (D-Troy).

Senator Cecil A. Partee (D-Chicago) is the chief sponsor of the Fair Housing Practices Act. This act, if enacted in its present form—which is unlikely—would make it unlawful to refuse to rent or sell housing on the basis of race, religion or nationality.

Female employees would be prohibited from soliciting drinks under a proposal of Senator John J. Lanigan (R-Chicago).

The flood of credit cards has inspired a proposal by Senator Joseph J. Krasowski (R-Chicago) to prohibit the

minimum wage of \$1.25.

minimum wage of \$1.25 would be established under S.B. 56, sponsored by Senator Paul Simon (D-Troy).

Has this strategy paid off? This answer, unfortunately, must be a definite yes. Today the communist conspiracy is reaping large dividends from its persistent efforts to gain a toehold on college and university campuses and from its dogged determination to disrupt, through mass agitation, the orderly processes of our educational systems.

The great majority of college students are proud of their American heritage and loyal to the traditions of democracy. However, it is basic communist strategy to further their communist objectives with noncommunist hands, and this is exactly what is happening on some college campuses. The idealism of many American students is being cynically exploited for communist purposes; youthful exuberance is being channeled into unplayful riotous conduct; mocking disdain for democratic processes and moral values is being fed to inquisitive young minds—all under the guise of seeking equal justice or some other noble cause.

At the core of these campuses disorders, and often below the surface, we find agi-

The university graduate of today will tomorrow guide destiny of this Nation. We want our young people to be able to think for themselves and to be active participants in community life, but we also want them to realize that freedom and justice are secured by law and order; that lasting rights and privileges are possible only by acceptance of responsibilities and obligations.

3. The first round of the tournament will begin on Monday, March 13, 1967.

4. Teams will be put in groups. Each team will play the other teams in the group (one team each week). The team of each group which has the highest point score total for the matches will advance to a championship elimination tournament. The team having the second highest point score will go to a consolation elimination tournament.

Matches in the elimination tournament will be played at the rate of one per week.

5. Games in each round are to be played between 8 a.m. Monday and 8 a.m. the following Monday. A week will be allowed for each round with winners progressing to the following rounds. All scores must be in the hands of the committee or The Antioch News by noon on the following Thursday.

6. Groups of opponents will be selected by lot. Opponents will be listed in the window of Wilton's Electric Shop and will also be notified by phone.

7. Opponents should arrange between themselves as to the time and place of their

match. This may be in their homes or elsewhere.

8. Each match will consist of 18 consecutive hands.

9. There may be only one re-deal (after 4 passes) in the 18 hands.

10. If all players pass a second time, the hand will be played as an open notrump, i.e., all hands are concealed (no dummy), party to left of dealer leads, and play continues as usual. Score is won by team taking most tricks in that hand and scored as no notrump below the line. All overtricks are scored above the line.

11. All hands must be played out. NO LAYDOWNS.

12. All conventional bridge rules apply. In case of dispute, these are to be referred to a committee, whose decision will be final.

13. Conventional bridge scoring applies. If at the end of 18 hands a team has a game on, the rubber uncompleted, they are given 300 points for this.

14. Each team should keep score. Scores must be turned in with all four players signing same. No score will be changed for any reason after they are turned in.

15. If a team is unable to play their round in the time allowed, they forfeit the match to their opponents.

16. All players must be residents of Antioch, Lake Villa, Sallen or Trevor Townships.

17. If a partner is ill, a player may choose a substitute not already entered in the tournament. Committee members must be notified in advance.

18. During play no bidding guides may be used. Partners should not discuss hands. Good sportsmanship leads to a more enjoyable time for all.

19. It is anticipated that

the tournament will end some time in April, depending on the number of teams

20. The tournament will be played between teams of two partners each. These can be husband and wife, two women, two men, etc. Each participant will be allowed to enter on one team only.

21. The entrance fee is \$5.00 per team. The entry fee and official entry blank must be turned in to the Antioch News office or committee members, Larry Ryan, Pres Reckers, Elmer Eberman, Dr. Tossey or Dr. James Kopriva by 5 p.m. March 10.

Meeting For Parents At St. Peters

The third in a series of four meetings over the 1966-67 school year has been planned for Sunday afternoon, Feb. 19. The meeting will begin at 2 p.m. in the Blue Room at St. Peter's school. The speaker will be Martin C. O'Malley, child psychologist from Glenview.

Mr. O'Malley is a registered psychologist who has a master's degree in psychology as well as two years of full-time supervised experience in the individual psychological examination of children. At present, he is working closely with school social workers, school nurses, speech therapists, and other school personnel as well as local medical and social service agencies. Mr. O'Malley will answer such questions as "Why do children fight?", "Does spanking really help?", and "What is discipline?". A question and answer period will follow his talk.

Following the meeting, Father Henderson will celebrate mass at the church starting at 4:30 p.m. This mass will satisfy your Sunday obligation.

Parents should attend this meeting. Bring a friend, if you like, as the meeting is open to the public.

OES Meeting

A regular meeting of Antioch Chapter Order of the Eastern Star was held last Thursday evening with Carrie and Herb Pauli, Worthy Matron and Worthy Patron, presiding.

Plans are being formulated for several events scheduled in the near future. One member was accepted for affiliation and five candidates were elected and will be initiated on March 9.

There will be a meeting of the officers and members at the home of Carrie Pauli at 7:30 p.m. on February 20 to make plans for a dinner that the Chapter will be catering on March 20.

The officers will enjoy a rest at the Chapter's next meeting February 23, as the officers of Lake Zurich Chapter will perform the work of all the stations. Antioch's officers will in turn serve in Lake Zurich on March 28.

There was a meeting of the Past Matrons of Antioch Chapter Order of the Eastern Star Wednesday evening, February 15. Mrs. Rosalind Keating was hostess.

VISITING IN ANTIOPH

Mr. Nels Gussarson of Clearwater, Florida, is spending five days visiting friends and taking care of business matters here. He is staying at his brother Hugo's in Antioch, and with Mr. and Mrs. D. A. Dean of Rock Lake. Mrs. Gussarson is visiting with her daughter at Louisville, Kentucky. Enroute home Mr. Gussarson will join his wife in Louisville.

RECEIVES DEGREE

Roger L. Van Patten, 515 Naber Ave., Antioch, received a Bachelor's degree from Colorado State University at the school's first fall quarter graduation in December.

The award was given in recognition of the Post's program to arrange outings for wounded Vietnam veterans.

The award will be presented at the Post's annual Americanism Dinner Feb. 18. It is considered the highest award that can be bestowed on a Legion Post.

The Lake Region Post was chosen from 1,135 American Legion posts in the state for the Hall of Fame award.

Choose Chairmen Of Diamond Jubilee

William Brook and Robert Wilton were chosen co-chairmen of the Diamond Jubilee celebration for Antioch at a meeting Tuesday night at the village hall.

The meeting was scheduled to start planning for the celebration of Antioch's 75th year as a village. All interested persons were asked to attend.

Other officers elected for the committee in charge of the celebration were Marilyn Stebenz, secretary, and Jerry Babb, treasurer.

Another meeting will be held Thursday, Feb. 23, at the village hall at 8 p.m. Representatives of all organizations in Antioch are urged to attend.

Engaged

By Mrs. Bernice Bernau

The engagement of Mary K. Brown is announced by her parents, Mr. and Mrs. Warren O. Brown of Lake Villa. She will wed Walter O. Vandernald, Jr., son of Mr. and Mrs. Walter H. Vandernald, Sr., of Chicago, on June 24.

Miss Brown resides in Chicago and works at the University of Illinois at Chicago Circle, as secretary to the dean of Liberal Arts and Sciences College. Mr. Vandernald is in business with his father in Elmwood Park.

Honor Fox Lake Legion Post

Lake Region Post 703 has been chosen to receive the annual American Legion Hall of Fame award.

The award was given in recognition of the Post's program to arrange outings for wounded Vietnam veterans.

The award will be presented at the Post's annual Americanism Dinner Feb. 18. It is considered the highest award that can be bestowed on a Legion Post.

The Lake Region Post was chosen from 1,135 American Legion posts in the state for the Hall of Fame award.

Plans thus far are for a joint effort of community organizations to work together for the mutual success of the Jubilee.

Plans for a parade were discussed and John Horan was appointed Parade Marshal.

A date for the Jubilee will be set at the meeting Thursday, and further plans made.

At earlier meetings, the possibility of hiring a promotion firm to plan events was discussed, and a plan presented by a representative of the Rogers Co. This idea was rejected by those attending the meetings, and the people decided to carry through the celebration on their own.

Hornets 4th In County Candy Sales

The Millburn Hornets 4-H Club met at Millburn School on Monday evening, Feb. 13, for their regular meeting. The officers for this year are Gary Doolittle, President; Tom Doolittle, Vice President; Ruth Reynolds, Secretary; Debbie Burmeister, Treasurer; Larry Isbell, Reporter, and Diane Walker, Recreation Chairman. Mr. and Mrs. Warren Wells are the leaders of the club and Mrs. Marvin Walker is the Assistant Leader.

Mr. Wells gave a report on the candy sale which was held throughout the county during December and January to raise money to help build the new County Extension Office. The Millburn Hornets was the fourth highest selling club in the county.

Parents Night has been scheduled for April 10th and guest speakers for the meeting will be Miss Nesta Foxon from South Africa, and Andreas Melas from Cyprus.

Diane Walker gave a report on the Share-the-Fun Festival to be held during the

New Library Busy Place

Since the opening of its handsome new building on Sept. 12, 1966, the Crystal Lake Public Library has multiplied its number of patrons at an astounding rate. On

The architect for the 10,000 square ft. library, Robert J. Freund, agrees. "Way back in 1964, when we were studying what we needed in the way of library facilities, our consultant told us we needed a building five times the size of what we had. This was hard to believe, but we followed his advice."

The actual increase in use of the library proves that the building studies were correct. The people of Crystal Lake are very pleased with their new library and show it by making good use of it. The nearly a thousand new patrons have helped check out 8,372 more books, periodicals and records than over a comparable period in 1965. The proof is indeed in the use.

Mr. Freund is the architect who is assisting the Antioch Township Library in exploring the possibilities of a future library expansion program.

The next meeting will be held March 13, at the Millburn School.

Mr. and Mrs. David D. Miller

Wed At Antioch Methodist Church

Carol Ann Lindley became the bride of David D. Miller in a double ring service at 2:30 p.m. Saturday, February 4, at the Antioch Methodist Church. The Rev. Donald Cobb performed the marriage ceremony.

The bride is the daughter of the late Mr. and Mrs. Clarence Lindley of Antioch. The groom is the son of Mr. and Mrs. Clarence Miller of Antioch.

The bride was given in marriage by her brother, Clarence Edward Lindley III. She wore a gown of ivory satin. The brocade bodice was touched with mother of pearl at the neckline. An ivory taffeta train fell from the shoulders. Her elbow length veil was held by a crown of roses surrounded by pearls. She carried a cascade of gardenias, carnations, ivy and stephanotis.

Davell M. Stratton of Antioch was maid of honor. She wore an apricot linen floor-

length gown with bell sleeves. Her headpiece was a rose, holding a three-tier veil. She carried apricot carnations.

Pamela S. Hagstrom was the bridesmaid. Junior bridesmaids were Debra Mae Lindley and Patricia Marie Lindley, both sisters of the bride. The bridesmaid wore a popcorn yellow floor-length linen gown with bell sleeves and carried yellow carnations. The junior bridesmaids were dressed like the bridesmaids.

Ushers were Jack Miller, the groom's brother; George Vaughn, Robert Lasco and Robert Lindley, all of Antioch.

A reception was held immediately after the ceremony at Wesley Hall.

The bride is a graduate of Antioch High School and works at Ill-Dynamic. The groom is a military policeman in the U.S. Army and will soon be stationed in Saigon.

Book Review For Woman's Club Meeting

The February 20th meeting of the Antioch Woman's Club will be a program given by the Literature Group. Mrs. Thomas Pechousek, chairman, promises it to be a most interesting one.

Mrs. W. C. Petty, an accomplished reviewer, will speak on the book "Tell No Man." Mrs. O. W. Turner will give a short sketch of the author, Adele Rogers St. John.

"Tell No Man" was written in 1966 by a newspaper reporter turned author. Mrs. St. John placed her story, which she claims is true, along the North Shore and Chicago. It begins with a discussion on the existence

of angels. The principal characters are a successful stock broker who feels he has been chosen, as St. Paul was, and his socialite wife who rejects this, and of their separate struggles.

Mrs. Petty gives a moving and comprehensive review of a book filled with suspense, struggle and success that suits our present world situation.

The Literature Group meets monthly on the second Thursday of the month. Books on various subjects are reviewed and discussed.

A board meeting at 12:30 will be followed by the regular meeting at 1 p.m. at the Scout House.

The hostess committee for the afternoon will be Mesdames R. H. Lorenz, Jr., George Anzinger, Robert Duhua, Ronald Anderson, Dudley Kennedy, Donald Francisco, Jr., and Miss Marguerite Snider.

Social Notes

By Del Jahnke
Gail Clark, daughter of Mr. and Mrs. Arland Clark, celebrated her eighth birthday with a party at her home Saturday afternoon, Feb. 11. Coleen Moore, Sheryl Stadick, Lisa Irving, Diana Ware, Mary Ellen Krieger, and Christine Lindquist thoroughly enjoyed the games, birthday cake, ice cream, etc. and Gail was the lucky recipient of many lovely gifts. That evening Gail had another birthday party, but this one was a family and adult friends affair. ***

Mrs. Margaret Aschenbrenner, Beach Grove, is a proud grandmother. A daughter was born to her son and his wife, Mr. and Mrs. Steven Aschenbrenner of Barrington, on February 10. Little Jacqueline Kay Aschenbrenner tipped the scales at 7 lbs., 4 ozs. Her mother is the former Miss Lynne Lewis. ***

A "surprise" baby shower was held for Mrs. Robert Bemis, who is the new mother of a young son, Andrew—after the Wesley Evening Circle meeting, held at the home of Mrs. Joseph Rush, February 9. ***

Mrs. Ray Rathmann, Oakwood Knolls, has been traveling to Chicago as often as the weather will allow, to visit her mother, Mrs. Edna Wenthe, in the hospital. Mrs. Wenthe suffered a stroke, during the severe snowstorm in January. Due to the conditions of the roads, she had to be carried on a stretcher for several blocks to a squad car, and then driven to the hospital. Best wishes for a speedy recovery, Mrs. Wenthe! ***

Sergeant David C. White, son of Mrs. Kathleen White of Antioch, after having served his tour of duty in Vietnam, is now stationed in the Marine Corps Station at Yuma, Arizona. He received a letter of appreciation from the commanding officer, commending him for volunteering his services as a court reporter, and assistance in the preparation of the record of trial, on a special court-martial. He is married to the former Miss Janet Balsamello, who resides with him in Arizona.

Legion Auxiliary

By Del Jahnke
Mrs. Ray Rathmann, Unit President, Mrs. Walter Hills, and Mrs. Burt Anderson attended the 10th District American Legion Auxiliary meeting, held at the Homer Dahlberg Legion Home, in Waukegan, on February 8.

State Representative Daniel Pierce flew in from Springfield to O'Hare Airport, and then drove to Waukegan, in order to give his speech. Rep. Pierce compared the differences in living conditions, and observances of patriotism, in his father's day, his own, and the problems and opportunities facing the younger generation of today.

Mrs. Herbert Gleason, Libertyville, 10th District Director, named Mrs. Emery Kirkman of Libertyville as the chairman of the nominating committee, with Mrs. Ray Suzzi, Highwood, Mrs. Norman Holt, North Chicago, Mrs. Edward II. Jahnke, Antioch, and Mrs. Minnie Kennedy, Waukegan, 529, voted in as the committee members.

The guest of honor, Mrs. Louis Unter of Champaign, Department (state) President of the Illinois American Legion Auxiliary, gave a talk, stressing the importance of contacting our state and national legislative representatives on vital legislation, regarding the needy veteran's pension, and the Vietnam veterans' benefits. She told of the necessity of a large membership, in order to carry through the many Auxiliary programs. Tenth District Auxiliary is now 90% in membership, and is still leading the 2nd Division. Mrs. Unter read some letters from an Indian boy, whose clothing and higher education is being financed by the Illinois American Legion Auxiliary.

Another guest speaker was Mr. Phil Edgerton, Assistant Director of Volunteer Services at Downey Hospital. He spoke on the need of summer Volun-Teens—teenagers, 16 years and older, who would be receiving training in the fields of physical therapy, occupational therapy, (whatever field of learning they would be interested in) while donating their urgently needed services.

The special meeting held at the Antioch Moose Home Wednesday evening, Feb. 8 for the Loyal Order of Moose has accomplished two important factors. First, and this is in compliance with the proposal adopted by the last International Moose Convention, was the raising of the annual dues. As of May 1, 1967, the dues for the Loyal Order members of Antioch Moose Lodge No. 525 will be \$18 per year. The necessity of raising the dues came following the visit of the International Director of Mooseheart, Marvin Kaus, last month and was voted on and passed by the majority vote at this meeting.

Second factor is that the Antioch Moose Lodge begins with its expansion program and a complete overhaul of the Moose Home. The front of the building, now occupied by Snow White, will be taken over and turned into club facilities with a complete face lifting. Mr. Bob Lubkeman, local architect, has been awarded the job of drawing up plans for this remodeling program. Enlarging the Moose Home has been contemplated for some time but steady increase in membership has made this enlargement imperative.

Attending the 3rd District meeting held in Woodstock Saturday, Feb. 11, from Antioch were Prelate Warren Andre, inner guard Scotty Birdsall and Mrs. Birdsall. The 3rd District's Vice-president's dinner will be held in Woodstock this year on Saturday, April 1, at 7 p.m. Members who attend this dinner are also invited to attend the indoctrination program that the Woodstock Lodge will hold on this same evening. Dancing is scheduled to follow the dinner.

The bowling tournament previously scheduled for the month of February has been changed to April 22 and 23 for the team tournament and April 29 and 30 for the singles which is to be held at the Edgetown Bowl in Woodstock.

The next meeting for the 3rd District will be held at the Fox Lake Moose Home Thursday evening, March 16.

Attending the celebration of the 25th wedding anniversary of Mr. and Mrs. Ed Nells held at the Waukegan Moose home, Sunday, Feb. 12, were Mr. and Mrs. Scotty Birdsall.

Teenagers may be either boys or girls, and are carefully supervised. Any additional information may be obtained from either the Department Hospital Chairman Mrs. Robert Broome, Highland Park, District Rehabilitation Chairman Mrs. John W. Horan, Jr., of Antioch.

Approximately 125 Auxiliary members and guests attended this meeting. Sixty Antioch American Legionnaires, Unit members, and their spouses, were at the February 10th Birthday Potluck supper party, held at the Antioch Legion Home.

Mrs. Joseph Horton, Unit Illinois Girl's State Chairman, announced that he will be contacting the Antioch Community High School for eligible Junior girls' names.

Antioch Unit voted to send in the \$60.00 registration fee for Illinois Girl's State.

A letter was read from Sergeant David C. White, U.C. Marine Corps, and a Vietnam veteran, thanking the Unit for his gift subscription to the Antioch News. After the short business meeting, all present played card games for the remainder of the evening.

Earns Honors At Drake

Melannie Jensen, a 1966 graduate of Antioch High now in her first year at Drake University in Des Moines, Iowa, has earned several honors in her first semester.

She was placed on the Dean's list with a 3.58 average out of a possible 4.0. She has also been honored by her fellow students in being elected Carpenter Hall representative to the student intercollegiate governing body.

As though these were not enough, Melannie has been elected to the Alpha Lambda Delta honorary sorority for freshman women.

The coming weekend will see the end of the regular conference schedule in basketball. Tuesday, Feb. 21, will be the Sequoits' first game in the District tournament. Here's the whole team, so far unbeaten in conference play. Front row, left to right, Al Alexander, Bill Sheldon, Bill Blecke, Tony Barnett, Jerry Whitson,

Coach Roger Andrews. Back row, left to right, Don Francisco, manager, Dave Comstock, Jim Litchfield,

Dan Zeman, Bill Smith, Bruce Empfield, Tyrone Walls,

Joel Strahan, Steve Miklautsch, Gregg Drije and Russ Barthel, manager.

Sequoits Still Undefeated In Conference Games

Antioch could do no worse than a co-title in the Northwest Suburban conference after their two wins last weekend.

Antioch defeated Warren Friday night, 59-39, and Round Lake, 86-61, Saturday night. This weekend they'll face Wauconda and Lake Forest in the Antioch gym. The Lake Forest game, previously scheduled for Jan. 27, was cancelled because of the snow storm, and re-scheduled for Saturday night, Feb. 18.

The Sequoits now have a 12-0 record in conference play.

The Sequoits, relying on defense Friday night, defeated Warren. Lead by Don Zeman, who scored 22 points, the Sequoits never trailed and gradually pulled away from the Blue Devils.

Tyrone Walls and Jerry Whitson were given the top defensive jobs and each did an outstanding job. Ty held his man to one point and Jerry held Warren's top scorer, Peterson, to six points.

"The team defense did an outstanding job," Coach Roger Andrews said. "It was a good thing, because the offense didn't click too well."

The Antioch cagers shot 36%, making 21 of 59 shots. Because of the fine defense, Warren shot a poor 29%, hitting on 16 of 56 shots.

In the rebounding department, Empfield with 18, Zeman with 13 and Zeman with 8 gave Antioch a big edge over Warren, 54 to 29. Faulkner lead Warren with 12.

ANTIOCH 86, ROUND LAKE 61

Round Lake, still smarting from their previous 102-71 drubbing by the Sequoits, were bent on revenge Saturday night, and lead through most of the first two quarters. The Sequoits were moving well on offense but the ball just wouldn't drop for them. The half ended with the score tied 35-35.

Antioch started off the second half by scoring five straight points, two by Empfield and three by Walls, for a 40-35 lead. Smith then hit for two, Walls hit for two, Zeman for one, Empfield for one and Miklautsch for two. With Antioch leading 46-37, the Sequoits were on their way.

By the end of the third quarter, the Sequoits had opened up a 14-point lead, outscoring Round Lake 27-13. In the fourth quarter, Antioch outscored Round Lake 24 to 13.

The team scoring was well balanced. Walls lead with 25 points, Whitson 15, Miklautsch 15, Empfield 11 and Zeman 10.

Thor and Zenia Neumann were honored by the Lindenhurst Men's and Women's Clubs Thursday night at the Men's Club monthly meeting. Mrs. John (Rae) Gibbons presented them with a plaque on behalf of both clubs with these words inscribed: "Mange Tak (Danish, for Many Thanks), Thor and Zenia. We cannot express how we appreciate all you do, and hope in some way this gift will show our gratefulness to you. No one else could accomplish

half of the good that you both do, and so we dedicate this plaque, as our way of thanking you Lindenhurst Men's and Women's Clubs." A four piece set of matching luggage was to be given at the time, but due to the weather, it hadn't arrived in time, so a picture of the luggage was given to them.

Approximately 40 members of both clubs were present.

The reason for the luggage gift is that they are planning to go to Sweden in June. Jim Sweeney, president of the Men's Club, represented the Men's Club. The Neumanns have been unpaid caretakers since the Civic Center was built.

threat of "if they do not accede to our demands, we'll close down their great and profitable university." This is no calm, deliberate search for truth. This is the way of the totalitarian, seeking to enslave through force.

The university graduate of today will tomorrow guide destiny of this Nation. We want our young people to be able to think for themselves and to be active participants in community life, but we also want them to realize that freedom and justice are secured by law and order; that lasting rights and privileges are possible only by acceptance of responsibilities and obligations.

By the same token, the demand of the hour is for educators with courage, dedicated to the supremacy of law, unafraid to support American principles, and determined that the communist conspiracy shall not dictate the policies of free institutions.

Last Curtain for "Antigone"

For those of you who missed "Antigone," PM&L's latest endeavor, you still have a chance to see this fine dramatic play this Saturday and Sunday at 8:30 p.m. Caught Annette Lubkeman there last Saturday sporting a new hem line and a new hairdo—was quite striking to say the least.

Young Ideas!

Low Simon of our own Show Box, escorted four area high school girls into Chicago to help choose the spring shoe styles from the eyes of a teenager. The four were Pam Hagstrom, Sue Smith and Betty Brinker.

Surf and Sun Topics

Those enjoying the balmy beaches of Florida are the Ed Jacobs, Dudley Kennedys, and Margaret Gaston is enjoying her stay with her son, Howard. Ray and Pat Lorenz and their two children just

returned after a week's stay.

While there they also stopped to say hello to the Howard Gastons.

Ten Pin News

With Joe Sterbenz qualifying for the Lake County Sweet Sixteen bowling tournament this Saturday in Waukegan, lovely wife Marilyn is getting gyped out of the annual Lions Club ladies nite. Good luck anyhow, Joe. Congratulations!

Even if our fighting Sequoia lose this weekend they will still come out conference champs... so continued winnings right on through the District which starts Tuesday and right on down state!

Don't Forget

To drop off a couple of packages of Kool Aid at the Antioch Post Office—to be sent to our boys in Viet Nam. That's all for today,

Rules of Lions Club Bridge Tournament

1. The tournament will be played between teams of two partners each. These can be husband and wife, two women, two men, etc. Each participant will be allowed to enter on one team only.

2. The entrance fee is \$5.00 per team. The entry fee and official entry blank must be turned in to the Antioch News office or committee members, Larry Ryan, Pres Reckers, Elmer Eberman, Dr. Tossey or Dr. James Kopriva by 5 p.m. March 10.

3. The first round of the tournament will begin on Monday, March 13, 1967.

4. Teams will be put in groups. Each team will play the other teams in the group (one team each week). The team of each group which has the highest point score total for the matches will advance to a championship elimination tournament. The team having the second highest point score will go to a consolation elimination tournament.

Matches in the elimination tournament will be played at the rate of one per week.

5. Games in each round are to be played between 8 a.m. Monday and 8 a.m. the following Monday. A week will be allowed for each round with winners progressing to the following rounds.

All scores must be in the hands of the committee or The Antioch News by noon on the following Thursday.

6. Groups of opponents will be selected by lot. Opponents will be listed in the window of Wilton's Electric Shop and will also be notified by phone.

7. Opponents should arrange between themselves as to the time and place of their

match. This may be in their homes or elsewhere.

8. Each match will consist of 18 consecutive hands.

9. There may be only one re-deal (after 4 passes) in the 18 hands. If all players pass a second time, the hand will be played as an open no trump, i.e., all hands are concealed (no dummy), party to left of dealer leads, and play continues as usual. Score is won by team taking most tricks in that hand and scored as no trump below the line. All overtricks are scored above the line.

10. All hands must be played out. NO LAYDOWNS.

11. All conventional bridge rules apply. In case of dispute, these are to be referred to a committee, whose decision will be final.

12. Conventional bridge scoring applies. If at the end of 18 hands a team has a game on the rubber uncompleted, they are given 300 points for this.

13. Each team should keep score. Scores must be turned in with all four players signing same. No score will be changed for any reason after they are turned in.

14. If a team is unable to play their round in the week allowed, they forfeit the match to their opponents.

15. All players must be residents of Antioch, Lake Villa, Saline or Trevor Townships.

16. If a partner is ill, a player may choose a substitute not already entered in the tournament. Committee members must be notified in advance.

17. It is anticipated that the tournament will end some time in April, depending on the number of teams

Concert At Central High

The vocal music department of Central High School will present a concert of contrasts Friday, February 24, at 7:30 in the high school gymnasium. Two cantatas will be sung, one sacred and one humorous.

The Mixed Chorus will perform the sacred cantata. It is one of the best known Lenten cantatas in choral literature, "The Seven Last Words of Christ" by Clement Dubois. This highly dramatic work features several soloists in addition to the chorus.

The humorous work is "The Natural Superiority of Men" by Frackenpohl and it will be sung by the combined girls' chorus. The text is by Jean Pearson and it was featured nationally in The Readers Digest. The satirical nature of the text is well supported by the contemporary style of Mr. Frackenpohl's music.

Between the two cantatas the Chamber Chorus and the Falconettes will each present a brief group of songs.

The director of vocal music at Central is Keith A. Lunde.

Winners Of FHA Contest

As part of her degree work, Judy Freitag organized the presentation of the local FHA demonstration contest held February 8th at Central High School. Mrs. Vaughn Sorenson was the judge. Participants were:

B Division—Dorothy Uhlenhake, Barbara Terry.

A Division—Linda Wack;

Joanne Jozapaitis, Linda Webber, Evan Leach.

Barbara Terry won first in the B Division and Evan Leach won first in the A Division. These girls will represent the school in the District Contest on February 15 to be held at Central High School. Demonstrators from Clinton, Lake Geneva Badger, and Elkhorn will attend.

HOLY SPIRIT MISSION IS ANNOUNCED

Lloyd P. Weber, pastor of the Church of the Good Shepherd, announced today that the Chicago Area "Mission of the Holy Spirit" will begin Wednesday, February 22, in Elk Grove Village, Illinois.

During this five day mission meeting, Laymen and Clergy alike, will see and hear how lives have been transformed by Jesus Christ the Holy Spirit.

in Antigone.

For those not familiar with the tragedy of Antigone, Steve Krotz as the Chorus keeps the audience fully aware of the happenings and background of the play. Mr. Krotz, with superb voice and diction, ties all the strings of the play together for us.

The supporting cast—Valerie Hunley, Carol Brandy, Bob Thomley, Josef Hunley, Dave Stringer, George R. Wren, Steve Strang, Jay Horton, and Sue Bushnell—give first-rate performances.

Come and enjoy, and talk about Antigone this weekend, Feb. 17 and 18, at 8:30 p.m., at the PM&L Theatre. Tickets reservations can be made by calling Mrs. Vivian Maphorpe, 395-3613.

Student Monitors Have Many Tasks

ing 1,000 students daily.

There are about forty students who serve as monitors, five each class period of the day. It is deemed an honor to serve as a monitor, for only trustworthy students are chosen from the volunteers.

Monitors are student volunteers, and their tasks are myriad. They sort and file routine material in the business office as well as the student personnel office;

do some typing; answer the telephone; pick up attendance slips from the classrooms; carry requests of the Deans and Counsellors for conferences to students; select and refile addressograph plates for the daily absentee lists, and many other tasks important in handling.

Finals will be played between the two remaining teams in the Championship and Consolation rounds. Time and place will be announced later. This will be open to the public as spectators this year.

17. A handsome trophy will be awarded the first and second place winners in the Championship round, and an engraved plaque to the winners of the Consolation round. These will be awarded at an early meeting of the Antioch Lions Club. Winners are invited to be the Lions' guests for dinner on that night.

18. During play no bidding guides may be used. Partners should not discuss hands. Good sportsmanship leads to a more enjoyable time for all.

Meeting For Parents At St. Peters

The third in a series of four meetings over the 1966-67 school year has been planned for Sunday afternoon, Feb. 19. The meeting will begin at 2 p.m. in the Blue Room at St. Peter's school. The speaker will be Martin C. O'Malley, child psychologist from Glenview.

Mr. O'Malley is a registered psychologist who has a master's degree in psychology as well as two years of full time supervised experience in the individual psychological examination of children. At present, he is working closely with school social workers, school nurses, speech therapists, and other school personnel as well as local medical and social service agencies. Mr. O'Malley will answer such questions as "Why do children fight?", "Does spanking really help?", and "What is discipline?". A question and answer period will follow his talk.

Following the meeting, Father Henderson will celebrate mass at the church starting at 4:30 p.m. This mass will satisfy your Sunday obligation.

Parents should attend this meeting. Bring a friend if you like, as the meeting is open to the public.

OES Meeting

A regular meeting of Antioch Chapter Order of the Eastern Star was held last Thursday evening with Carrie and Herb Pauli, Worthy Matron and Worthy Patron, presiding.

Plans are being formulated for several events scheduled in the near future. One member was accepted for affiliation and five candidates were elected and will be initiated on March 9.

There will be a meeting of the officers and members at the home of Carrie Pauli at 7:30 p.m. on February 20 to make plans for a dinner that the Chapter will be catering on March 29.

The officers will enjoy a rest at the Chapter's next meeting February 23, as the officers of Lake Zurich Chapter will perform the work of all the stations. Antioch's officers will in turn serve in Lake Zurich on March 28.

There was a meeting of the Past Matrons of Antioch Chapter Order of the Eastern Star Wednesday evening, February 15. Mrs. Rosalind Keating was hostess.

VISITING IN ANTIOCH

Mr. Nels Gussarson of Clearwater, Florida, is spending five days visiting friends and taking care of business matters here. He is staying at his brother Hugo's in Antioch, and with Mr. and Mrs. D. A. Dean of Rock Lake. Mrs. Gussarson is visiting with her daughter at Louisville, Kentucky. Enroute home Mr. Gussarson will join his wife in Louisville.

RECEIVES DEGREE

Roger L. Van Patten, 515 Naber Ave., Antioch, received a Bachelor's degree from Colorado State University at the school's first fall quarter graduation in December.

Choose Chairmen Of Diamond Jubilee

William Brook and Robert Wilton were chosen co-chairmen of the Diamond Jubilee celebration for Antioch at a meeting Tuesday night at the village hall.

The meeting was scheduled to start planning for the celebration of Antioch's 75th year as a village. All interested persons were asked to attend.

Other officers elected for the committee in charge of the celebration were Marilyn Staben, secretary, and Jerry Babb, treasurer.

Another meeting will be held Thursday, Feb. 23, at the village hall at 8 p.m. Representatives of all organizations in Antioch are urged to attend.

Engaged

By Mrs. Bernice Bernau

The engagement of Mary K. Brown is announced by her parents, Mr. and Mrs. Warren O. Brown of Lake Villa. She will wed Walter O. Vandernald, Jr., son of Mr. and Mrs. Walter H. Vandernald, Sr., of Chicago, on June 24.

Miss Brown resides in Chicago and works at the University of Illinois at Chicago Circle, as secretary to the dean of Liberal Arts and Sciences College. Mr. Vandernald is in business with his father in Elmwood Park.

Honor Fox Lake Legion Post

Lake Region Post 703 has been chosen to receive the annual American Legion Hall of Fame award.

The award was given in recognition of the Post's program to arrange outings for wounded Vietnam veterans.

The award will be presented at the Post's annual Americanism Dinner Feb. 18. It is considered the highest award that can be bestowed on a Legion Post.

The Lake Region Post was chosen from 1,135 American Legion posts in the state for the Hall of Fame award.

Plans thus far are for a joint effort of community organizations to work together for the mutual success of the Jubilee.

Plans for a parade were discussed and John Horan was appointed Parade Marshal.

A date for the Jubilee will be set at the meeting Thursday, and further plans made.

At earlier meetings, the possibility of hiring a promotion firm to plan events was discussed, and a plan presented by a representative of the Rogers Co. This idea was rejected by those attending the meetings, and the people decided to carry through the celebration on their own.

New Library Busy Place

Since the opening of its handsome new building on Sept. 12, 1966, the Crystal Lake Public Library has multiplied its number of patrons at an astounding rate. On

that opening day in September, the library issued 50 new adult cards and 47 new children's cards, for a record total of 97 new patrons for one day. The total number of new cards issued in those first two weeks of operation was 426; 217 new adult and 209 children's.

From September 12 to December 31, 1966, states Mrs. Stella Baker, President of the Board of Directors,

last week of April at the Farm Bureau Auditorium, and all members interested in taking part are to contact her. Reports were given by Debbie Burmeister on "Maintaining Good Animal Health," Tom Doolittle on "Requirements to Become a County and State Honor Member," and Diane Walker talked on her experience of giving a demonstration on the Illinois State Fair last August.

The next meeting will be held March 13, at the Millburn School.

"the library has added almost one thousand new borrowers!" There were 599 new adult cards and 326 new children's cards issued during that time. Those figures make all of us feel that the work we put into the library building program was well worth while," she adds.

The architect for the 10,000 square ft. library, Robert J. Freund, agrees. "Way back in 1964, when we were studying what we needed in the way of library facilities, our consultant told us we needed a building five times the size of what we had. This was hard to believe, but we followed his advice."

The actual increase in use of the library proves that the building studies were correct. The people of Crystal Lake are very pleased with their new library and show it by making good use of it. The nearly a thousand new patrons have helped check out 8,372 more books, periodicals and records than over a comparable period in 1965. The proof is indeed in the use.

Mr. Freund is the architect who is assisting the Antioch Township Library in exploring the possibilities of a future library expansion program.

Some Statistics On Traffic Deaths

The Lake County Safety Commission has compiled some statistics on the 113 deaths on the highway in Lake County in 1966.

Ninety-one of those who died were men; twenty-two were women.

One hundred twenty-three drivers were involved in the 83 accidents which produced the 113 fatalities. One hundred and nine of the drivers were men, 14 were women.

Twenty-two of the drivers involved were issued traffic citations.

Sixty-five of the drivers involved died in the accidents.

Death was no respecter of age in the highway fatalities. Those dying ranged

Mr. and Mrs. David D. Miller.

Wed At Antioch Methodist Church

Carol Ann Lindley became the bride of David D. Miller in a double ring service at 2:30 p.m. Saturday, February 4, at the Antioch Methodist Church. The Rev. Donald Cobb performed the marriage ceremony.

The bride is the daughter of the late Mr. and Mrs. Clarence Lindley of Antioch. The groom is the son of Mr. and Mrs. Clarence Miller of Antioch.

The bride was given in marriage by her brother, Clarence Edward Lindley III. She wore a gown of ivory satin. The brocade bodice was touched with mother of pearl at the neckline. An ivory taffeta train fell from the shoulders. Her elbow length veil was held by a crown of roses surrounded by pearls. She carried a cascade of gardenias, carnations, ivy and stephanotis.

Davell-M. Stratton of Antioch was maid of honor. She wore an apricot linen floor-

length gown with bell sleeves. Her headpiece was a rose holding a three-tier veil. She carried apricot carnations.

Pamela S. Hagstrom was the bridesmaid. Junior bridesmaids were Debra Mae Lindley and Patricia Marie Lindley, both sisters of the bride. The bridesmaid wore a popcorn yellow floor-length linen gown with bell sleeves and carried yellow carnations. The junior bridesmaids were dressed like the bridesmaid.

Ushers were Jack Miller, the groom's brother; George Vaughn, Robert Lasco and Robert Lindley, all of Antioch.

A reception was held immediately after the ceremony at Wesley Hall.

The bride is a graduate of Antioch High School and works at Hi-Dynamic. The groom is a military policeman in the U.S. Army and will soon be stationed in Saigon.

Gail Clark, daughter of Mr. and Mrs. Arland Clark, celebrated her eighth birthday with a party at her home Saturday afternoon, Feb. 11. Colleen Moore, Sherry Stadick, Lisa Irving, Diana Ware, Mary Ellen Krieger, and Christine Lindquist thoroughly enjoyed the games, birthday cake, ice cream, etc. and Gail was the lucky recipient of many lovely gifts. That evening Gail had another birthday party, but this one was family and adult friends affair.

Legion Auxiliary

By Del Jahnke

Mrs. Ray Rathmann, Unit President, Mrs. Walter Hills, and Mrs. Burt Anderson attended the 10th District American Legion Auxiliary meeting, held at the Homer Dahringer Legion Home, in Waukegan, on February 8.

State Representative Daniel Pierce flew in from Springfield to O'Hare Airport, and then drove to Waukegan, in order to give his speech. Rep. Pierce compared the differences in living conditions, and observances of patriotism, in his father's day, his own, and the problems and opportunities facing the younger generation of today.

Mrs. Herbert Gleason, Libertyville, 10th District Director, named Mrs. Emery Kirkman of Libertyville as the chairman of the nominating committee, with Mrs. Ray Suzzi, Highwood, Mrs. Norman Holt, North Chicago, Mrs. Edward H. Jahnke, Antioch, and Mrs. Minnie Kennedy, Waukegan, 529, voted in as the committee members.

The guest of honor, Mrs. Louis Unfer of Champaign, Department (state) President of the Illinois American Legion Auxiliary, gave a talk, stressing the importance of contacting our state and national legislative representatives on vital legislation, regarding the needy veteran's pension, and the Vietnam veterans' benefits. She told of the necessity of a large membership, in order to carry through the many Auxiliary programs. Tenth District Auxiliary is now 90% in membership, and is still leading the 2nd Division. Mrs. Unfer read some letters from an Indian boy, whose clothing and higher education is being financed by the Illinois American Legion Auxiliary, and asked the units for more donations for the American Indian sponsorship program.

Another guest speaker was Mr. Phil Edgerton, Assistant Director of Volunteer Services at Downey Hospital. He spoke on the need of summer Volun-Teens—teenagers, 16 years and older, who would be receiving training in the fields of physical therapy, occupational therapy, (whatever field of learning they would be interested in) while donating their urgently needed services.

of angels. The principal characters are a successful stock broker who feels he has been chosen, as St. Paul was, and his socialite wife who rejects this, and of their separate struggles.

Mrs. Petty gives a moving and comprehensive review of a book filled with suspense, struggle and success that suits our present world situation.

The Literature Group meets monthly on the second and Thursday of the month. Books on various subjects are reviewed and discussed.

A board meeting at 12:30 will be followed by the regular meeting at 1 p.m. at the Scout House.

The hostess committee for the afternoon will be Mesdames R. H. Lorenz, Jr., George Anzinger, Robert Dulia, Ronald Anderson, Dudley Kennedy, Donald Francisco, Jr., and Miss Marguerite Snider.

MOOSE TOPICS

By Lillian Birdsell

The special meeting held at the Antioch Moose Home Wednesday evening, Feb. 8, for the Loyal Order of Moose has accomplished two important factors. First, and this is in compliance with the proposal adopted by the last International Moose Convention, was the raising of the annual dues. As of May 1, 1967, the dues for the Loyal Order members of Antioch Moose Lodge No. 525 will be \$18 per year. The necessity of raising the dues came following the visit of the Regional Director of Mooseheart, Marvin Kaus, last month and was voted on and passed by the majority vote at this meeting.

Second factor is that the Antioch Moose Lodge begins with its expansion program and a complete overhaul of the Moose Home. The front of the building, now occupied by Snow White, will be taken over and turned into club facilities with a complete face lifting. Mr. Bob Lubkeman, local architect, has been awarded the job of drawing up plans for this remodeling program. Enlarging the Moose Home has been contemplated for some time but steady increase in membership has made this enlargement imperative.

Attending the 3rd District meeting held in Woodstock Saturday, Feb. 11, from Antioch were Prelate Warren Andre, inner guard Scotty Birdsell and Mrs. Birdsell. The 3rd District's Vice-presidents' dinner will be held in Woodstock this year on Saturday, April 1, at 7 p.m. Members who attend this dinner are also invited to attend the indoctrination program that the Woodstock Lodge will hold on this same evening. Dancing is scheduled to follow the dinner.

The Loyal Order of Moose will help all brother-having birthdays in the month of February celebrate by serving them a birthday dinner following the regular business meeting set for Wednesday evening, Feb. 22.

Brother Ray Johnson of Lake Villa is reported in fair condition at the Great Lakes Hospital after being taken there a week ago suffering from another heart attack.

The next meeting for the 3rd District will be held at the Fox Lake Moose Home Thursday evening, March 16.

Attending the celebration of the 25th wedding anniversary of Mr. and Mrs. Ed Nells held at the Waukegan Moose home, Sunday, Feb. 12, were Mr. and Mrs. Scotty Birdsell.

Teens may be either boys or girls, and are carefully supervised. Any additional information may be obtained from either the Department Hospital Chairman Mrs. Robert Broome, Highland Park, District Rehabilitation Chairman Mrs. John Schultz, North Chicago, or Unit Rehabilitation Chairman Mrs. John W. Horan, Jr., of Antioch.

Approximately 125 Auxiliary members and guests attended this meeting. Sixty Antioch American Legionnaires, Unit members, and their spouses, were at the February 10th Birthday Potluck supper party, held at the Antioch Legion Home. Mrs. Joseph Horton, Unit Illini Girl's State Chairman, announced that he will be contacting the Antioch Community High School for eligible Junior girls' names.

Antioch Unit voted to send in the \$60.00 registration fee for Illini Girl's State. A letter was read from Sergeant David C. White, U.C. Marine Corps, and a Vietnam veteran, thanking the Unit for his gift subscription to the Antioch News. After the short business meeting, all present played card games for the remainder of the evening.
